BUILDING SUSTAINABLE ENVIRON'S (3R's)

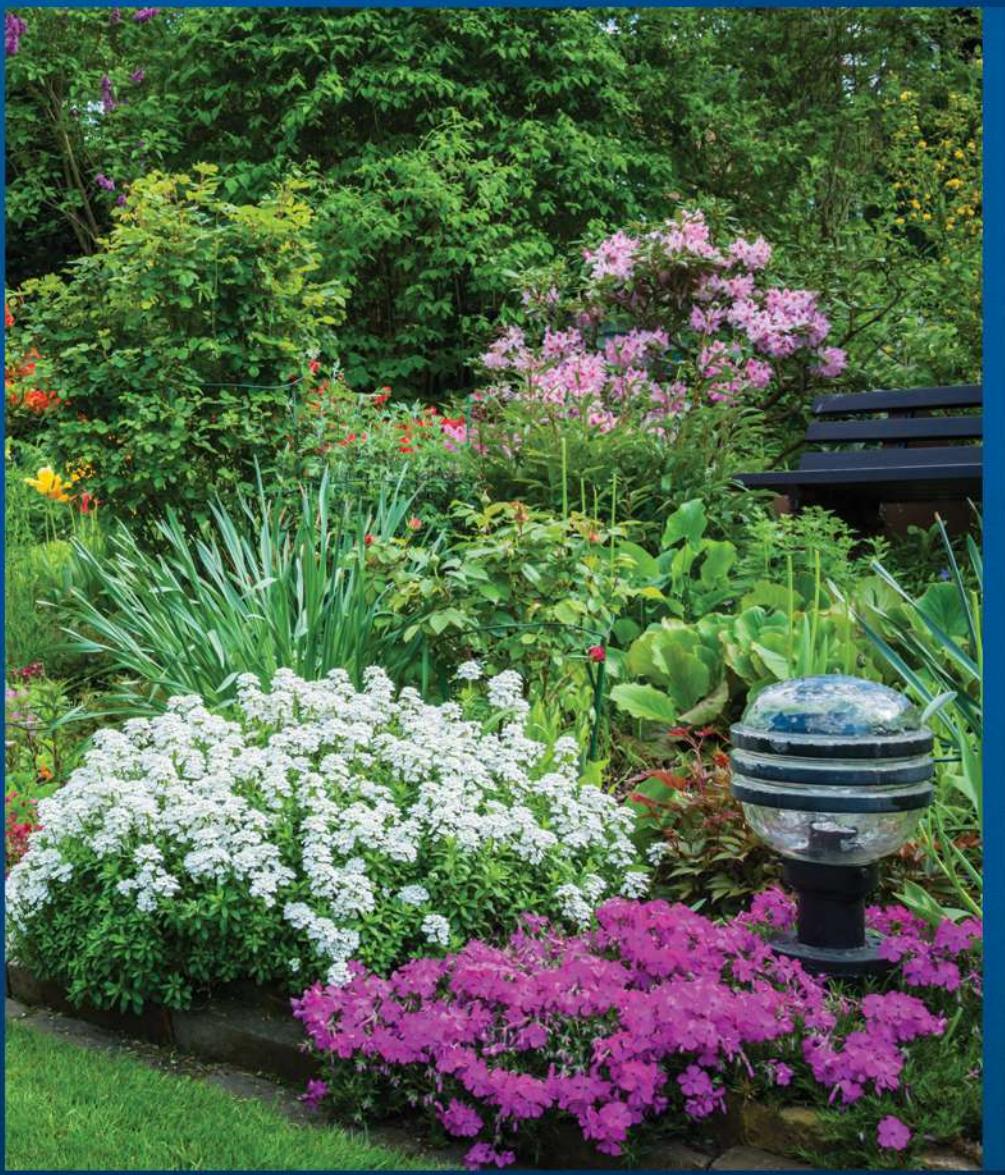

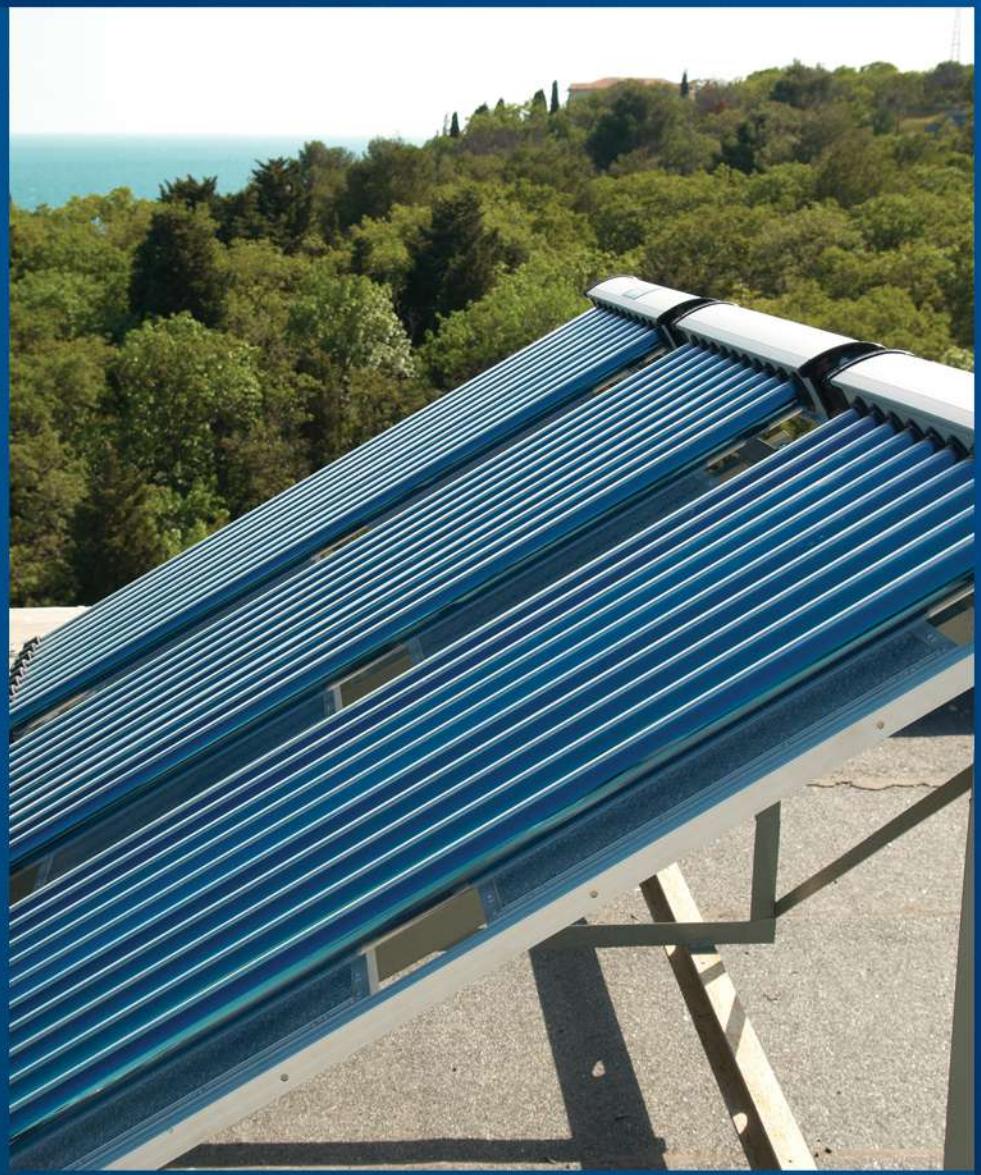

Plan M had initiated green concept when they started the real estate division right from providing sustainable building material a decade ago, with Plan S as one of the first Commercial project, Certified by Indian Green building council at Navi Mumbai.

Continuing with the same vision Plan M encompasses more green initiatives namely usage of less water, augments energy efficiency, conserves natural resources, generates less waste and provides healthier spaces for occupants at workplace.

In order to make a sustainable environment at workplace and contribute our part to this planet because we have always believed in 3R's on sustainable philosophy- "Reduce", "Reuse" and "Recycle", which create a positive impact on our climate and natural environment.

So! be part of this Vision of Plan M and Sustain your business.
